N° 5: "PRE HISPANIC WEDDING PACKAGE"

Do you wish to renew your vows with that special person in your life or have a spiritual ceremony without the legal certification? Then this is the ceremony for you.

Celebrate this wonderful event with VIVA WYNDHAM RESORTS and notice the difference, experience and beauty that are offered together in this unique union.

To celebrate the Prehispanic Mayan Ceremony it is necessary the presence of a Shaman (Mayan Minister) that unifies the couple. The Shaman is chosen in a "Choice of God" meeting with representatives who have knowledge and experience in religious acts.

The ritual consists of various steps:

- * The first step is declaring "Mutual Acceptance". It refers to the freedom the couple has to choose to sanctify this union. Moreover it indicates a wish to compromise with love, dignity, respect, consideration and tolerance; without egotism that can limit the capacity to love, grow and benefit.
- * The step of "Purification". A cup symbolizes the ambiance and mystery of those Mayan times.
- * The stage of "Offering" is where the couple elevates their wishes to the Gods in promise.
- * The final step is union and benediction of the couple.

The ceremony is transcendental, where the family and friends participate and share with the couple their unforgettable experience. The advise of the Shaman reflects the incredible energy and creates a magical confirmation of their union in front of the universe. It is unified with the fertility dance.

Butterflies release ritual

"A Native American legend tells that if you have a secret wish, capture a butterfly and whisper your wish to it. Since butterflies cannot speak, your secret is ever safe in their keeping. Release the butterfly, and it will carry your wish to the Great Spirit, who alone knows the thoughts of butterflies. By setting the butterfly free, you are helping to restore the balance of nature, and your wish will surely be granted"

When ceremony ends, all the guests will have a decorative box as a souvenir and will enjoy the experience of releasing butterflies. The cost of this experience is \$12 usd per butterfly. The bride and groom can also have the option of a massive release.

Minimum quantity required: 50 butterflies. This price is an average since it may vary depending on the number of butterflies required.
